

standard locker sizing

2021

simplicity

powered by VECOS

Please note that the standard sizes shown in this guide are just that, standard.

Whatever size lockers you require we can help! As a proud British manufacture, we can make bespoke lockers to suit your individual needs in a huge range of sizes. You can either send us the dimensions you require, or simply let us know what space you have and your storage requirements and we'll do the rest.

sizing code example

SL3-184050

= SL door - height + width + depth

2000mm Height - 350,400,450 and 500 width (mm) + 350,400,450 and 500 depth (mm)

SL1-20
average door height: 1871mm

SL2-20
average door height: 921mm

SL3-20
average door height: 605mm

SL4-20
average door height: 446mm

SL5-20
average door height: 351mm

SL6-20
average door height: 288mm
*refer to sizing code example

1800mm Height - 350,400,450 and 500 width (mm) + 350,400,450 and 500 depth (mm)

SL1-18
average door height: 1671mm

SL2-18
average door height: 821mm

SL3-18
average door height: 538mm

SL4-18
average door height: 396mm

SL5-18
average door height: 311mm

*refer to sizing code example

1600mm Height - 350,400,450 and 500 width (mm) + 350,400,450 and 500 depth (mm)

SL1-16
average door height: 1471mm

SL2-16
average door height: 721mm

SL3-16
average door height: 471mm

SL4-16
average door height: 346mm

SL5-16
average door height: 271mm

*refer to sizing code example

1400mm Height - 350,400,450 and 500 width (mm) + 350,400,450 and 500 depth (mm)

SL1-14
average door height: 1271mm

SL2-14
average door height: 621mm

SL3-14
average door height: 405mm

SL4-14
average door height: 296mm

SL5-14
average door height: 231mm

*refer to sizing code example

1200mm Height - 350,400,450 and 500 (mm) + 350,400,450 and 500 depth (mm)

SL1-12
average door height: 1071mm

SL2-12
average door height: 521mm

SL3-12
average door height: 338mm

SL4-12
average door height: 246mm

*refer to sizing code example

1000mm Height - 350,400,450 and 500 width (mm) + 350,400,450 and 500 depth (mm)

SL1-10
average door height: 871mm

SL2-10
average door height: 421mm

SL3-10
average door height: 271mm
