Staxx

Modular seating

# What is **Staxx**?

The ultimate modular seating solution for dynamic spaces.

Perfect for workplace receptions and meeting rooms, through to lecture halls and hospital waiting rooms, Staxx features built-in storage, providing functionality without compromising style or comfort.

Designed with sustainability at its core, Staxx is designed using eco-conscious materials and can be responsibly recycled at end-of-life.

# Staxx benefits

## Modular Design

Flexible, stackable seating that adjusts effortlessly to meet the needs of any space or activity.

## Built-in Storage

Convenient compartments for seat cushions, personal items, or essential equipment.

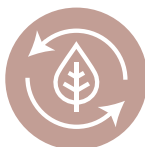

## Effortless Mobility

Glider feet ensure smooth movement across any surface without leaving marks.

## UK-made Quality

Staxx modular seating is expertly crafted in our Norfolk factory, with seat cushions produced in Oxfordshire.

## Sustainably Sourced

Built using eco-friendly materials from responsible, sustainable sources.

## Fully Recyclable

Designed for a greener future, Staxx can be completely recycled at the end of its lifecycle.

# Key features

## Customisable Accents

Personalise your setup with Staxx Toppers, available in six vibrant colours, to add a pop of style.

## Optional Wheelable Castors

Effortlessly transport Staxx to any location for ultimate flexibility and convenience.

## Optional Integrated Electrics

Convenient charging with a UK power socket, USB-A and USB-C ports for seamless connectivity.

# Staxx user cases

## Workplace

Staxx makes office seating more flexible, allowing dynamic seating in areas like meeting rooms and breakout spaces.

## Education

In schools and universities, Staxx forms adaptable seating for classrooms, study zones, and interactive group work.

## Healthcare

Designed for medical spaces, Staxx offers comfortable, modular seating in waiting areas, patient rooms, and staff lounges.

## Events

For conferences and gatherings, Staxx arranges easily into audience seating, networking hubs, and dynamic social setups.

# Eco-friendly.

Designed for a **greener** future.

Staxx is built with sustainability at its core, ensuring a lower environmental impact without compromising on quality. Made in the UK, crafted from responsibly sourced materials, and fully recyclable, Staxx is a seating solution that's as eco-friendly as it is versatile.

## UK-made Quality

Staxx modular seating is expertly crafted in our Norfolk factory, with seat cushions produced in Oxfordshire.

## Sustainably Sourced

Built using eco-friendly materials from responsible, sustainable sources.

## Fully Recyclable

Designed for a greener future, Staxx can be completely recycled at the end of its lifecycle.

# Recycling

Designed for a full lifecycle, Staxx is made from recyclable materials, ensuring minimal waste when it's time for an upgrade. Every component can be easily disassembled and responsibly recycled, helping to reduce landfill and support a more sustainable future.

## Carcass

**White K101 MDF** - FSC and PEFC certified material. 100% recyclable.

**Jerusalem Pine** - FSC and PEFC certified material. 100% recyclable.

**Birch Plywood** - FSC certified material. 100% recyclable (Class B).

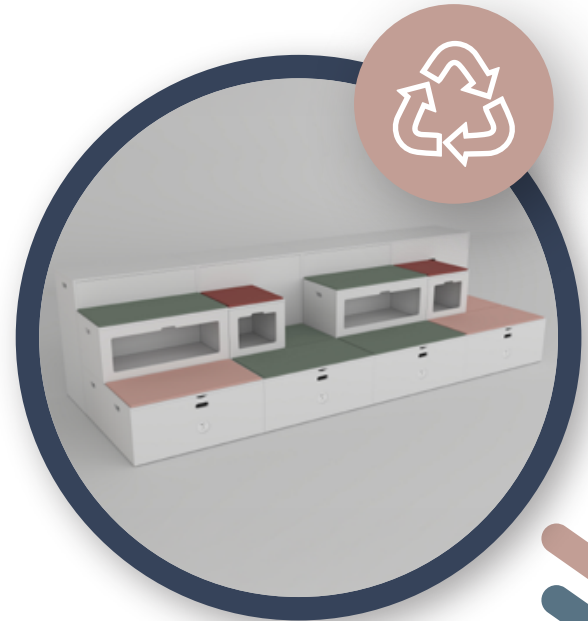

## Toppers

**Egger** - FSC and PEFC certified. 100% recyclable.

**Cushions** - Made from 50% recycled second life foam and then surrounded with a 50% laminated virgin foam surround to provide strength, structure and comfort. All cushions can be recycled using our take back scheme, to ensure responsible recycling through certified waste channels.

## Packaging

Staxx is shipped using packaging materials that are collated by our installation team following delivery for reuse or responsible recycling. Cardboard cartons can be easily recycled.
